10/6/16 1 p.m. Excavation Safety

# Class Descriptions

**All classes are 4 hours unless otherwise specified.**

***Attending an Oregon OSHA class helps you gain important knowledge and skills. The certificate should not be considered formal Oregon OSHA certification of professional competencies or qualifications.***

## **Accident Investigation**

You will learn about why investigations are important; and the process for conducting an accident investigation. This how-to class builds on the basic introduction in class *Safety Meetings and Committees*.

## **Excavation Safety**

You will learn about: the role of the "competent person"; planning considerations; specific hazards resulting from excavation work; requirements for protective systems; and Oregon OSHA's soil-classification methods.

## **Fall Protection**

This class will discuss the Oregon OSHA rules for fall protection use in the construction industry and will provide specific tools to build a pro-active safety program. Falls are consistently one of the top ten injuries in Oregon and cost employers millions of dollars each year. The goal of the class is to increase personal knowledge about how to prevent falls.

## **Forklift Safety**

You will learn about the OSHA rules for Powered Industrial Trucks and developing a forklift training program. This class does not offer forklift operator certification (cards).

## **Hazard Communication– Aligned with GHS**

You will learn how to: write a hazard communication program; complete a chemicals list; conduct employee training; and analyze container labels and Safety Data Sheets (SDS). This how-to workshop guides you through developing and implementing an effective hazard communication program.

## **Hazard Identification and Control**

You will learn about the types of workplace hazards; hazard correction; developing an inspection checklist for the walk-around inspection; and writing an effective safety inspection report. This class builds on the introduction in class *Safety Meetings and Committees*.

## **Job Hazard Analysis (JHA)**

You will learn how to determine which jobs need a JHA; write an effective safe job procedure; and use the JHA to improve safety programs. Conducting JHAs is required for all companies intending to achieve Safety and Health Achievement Recognition Program (SHARP) certification.

## **Lockout/Tagout and Machine Safeguarding**

This two-part workshop reviews the requirements in OSHA rules, the Control of Hazardous Energy (Lockout/ Tagout), and Machinery and Machine Guarding.

## **Lockout/Tagout**

You will learn about the purpose and scope of the lockout/tagout standard; lockout and tagout procedures; training criteria; and periodic inspection criteria.

## **Machine Safeguarding**

You will learn about Oregon OSHA machine guarding requirements; hazardous motions and actions; guards and devices; and training guidelines.

## **Worker Protection Standard**

You will learn about: the worker protection standard; effective training and information for pesticide handlers and workers.

# Directions

## **EUGENE • Oregon OSHA Field Office**

• 1140 Willagillespie #42 • 541-686-7562

From I-5 take Exit 195B west. Follow for 2.5 miles and take Delta Hwy exit. Go left at stop sign to Delta Hwy South, follow for about one mile to Valley River Center exit. Left on Valley River Dr and cross over Delta Hwy bridge. At signal, turn left on Willagillespie Rd. Go .1 mile to Delta Triad Building on left. Visitors MUST park in the lower lot. From the lower level, go up the stairs and turn to the right. Additional parking is available across the street in the adjacent church parking lot.

## **MEDFORD • SOU – Small Business Development Center**

• 101 S Bartlett St • 541-552-8300

From South - Take Exit 27 towards OR-99S/Medford. Keep right at the fork and follow signs for Barnett Rd. Turn right onto Highland Dr and then left onto E Barnett Rd Follow E Barnett to S Riverside Ave and turn right. Turn left onto E 9th St and take the first right onto S Bartlett St. From North - Take Exit 30 for OR-62W towards Klamath Falls. Keep right at the fork and follow signs for OR-238/Medford. Turn right onto OR-62W/Crater Lake Hwy. Turn left at All American Tires onto OR-99S. Take a slight left onto N Central Ave and then a left onto E 8th St. Facility is on the right. Parking - Parking lots start at \$0.50/hour to a \$5.00/day maximum. Middleford and Evergreen garages offer 2 - 3 hours free prior to paying.

## **MILWAUKIE • Clackamas Community College**

• 7738 SE Harmony Rd • 503-594-0640

From I-205 South, take Exit 14 (Sunnyside Rd) and turn right (west). Sunnyside Rd becomes Harmony Rd at 82nd Ave. From I-205 North, take Exit 13, staying to the left for 82nd Ave, and turn left at the first light (Harmony Rd). CCC is ½ block west of 82nd Ave. Turn left (south) into the lot.

## **PENDLETON • Blue Mountain Community College • 2411 NW Carden • 541-278-5833**

From I-84 take Exit 207. You will be on Westgate. Continue on highway until you pass Eastern Oregon Correctional Institution on the right. You will see a sign for Blue Mountain Community College. Turn left, go approximately 1 block. BMCC entrance is on the left. Go up the hill. At the top of hill, turn left for parking area and main campus entrance. A map of the campus is located in the "gazebo" entrance.

## **SALEM • DCBS – Labor & Industries Bldg.**

• 350 Winter St NE • 503-947-7443

From I-5 take Santiam Hwy (Exit 253). Go west on Mission St. Go past 17th St and onto the overpass. Get in right lane and take the Willamette University/City Center Exit. Follow signs to 12th St and State Offices. Turn left on Chemeketa, go straight through four-way stop intersection, and past the underground parking. Turn right on Winter St and the Labor & Industries Building is on the right. *Limited parking is available.* The Yellow lot, located north of the L&I Building, is \$8.00 a day and accepts only debit/credit cards. There is also metered parking in the underground parking structure and in front of the L&I Building on the Winter St side. Metered parking is \$1.50 an hour. Most on-street meters are only 2 hours and the vehicle must be moved after that time.

## **WILSONVILLE • Clackamas Community**

**College • 29353 SW Town Center Loop E • 503-594-0950**

From I-5, take Exit 283 and go east on SW Wilsonville Rd. Take the third left on to SW Town Center Loop E. The Wilsonville Training Center is the second building on the left.
