

October 5, 2006

Technical Amendments and Corrections Adopted in General Industry, Construction, and Maritime

Oregon OSHA adopted Federal OSHA changes as they appear in the April 3, 2006 Federal Register. These revisions include updating references and removing obsolete effective dates and startup dates from existing rules in General Industry, Construction, and Maritime Activities. Two changes Federal OSHA made that we do not include in this rulemaking are to remove effective dates in 1910.266 and 1926.1092, neither of which OR-OSHA had adopted before.

This is OR-OSHA Administrative Order 4-2006, **adopted and effective July 24, 2006.**

Please visit OR-OSHA's web site: www.orosha.org for proposed, adopted and final rules, as well as current publications, training opportunities, and much more.
