These rules and regulations may be amended or supplemented at any time by the 2017 GOSH Conference Executive and Exhibits Committees, and all such amendments or additions shall, upon reasonable notice, be as equally binding on all parties affected as the original.

ASSIGNMENT OF SPACE

The Exhibits Committee assigns space based on the following: online registration date of application with full payment of fees, registration of multiple booths, and consideration of potential conflicts with competing like-market exhibitors. The Exhibits Committee cannot guarantee assignment of booth preference.

All measurements shown on the floor plan are approximate, and the Exhibits Committee reserves the right to make such modifications as may be deemed necessary to meet the needs of the show and conference.

USE OF SPACE

The space contracted for is to be used solely for the exhibitor whose name appears on the exhibit space application, and it is agreed the exhibitor will not sublet or assign any portion of space without the consent of the Exhibits Committee.

Exhibitors must rent sufficient space to contain their exhibit completely within the confines of booth lines. Equipment and signage may not extend into the aisles, across the exhibitor's purchased booth space, or otherwise obstruct the view of or negatively affect other exhibitors. Any materials extending above 12 feet must have prior approval of the Exhibits Committee. Stock of merchandise for sale must be stored out of sight.

No food or beverages shall be given away by exhibitors in the exhibit hall or the Oregon Convention Center that duplicates those provided by the Oregon Convention Center. The dispensing of alcoholic beverages by exhibitors is not permitted. The Oregon Convention Center has exclusive rights for the distribution of food and beverages within the Center, and shall be the decision making authority should any questions arise.

SPECIAL EQUIPMENT RESTRICTIONS

Unusual or objectionable lighting, noises, or odors is not permitted. The use of loudspeakers and public-address equipment is prohibited. Exhibits that include the operation of any noise-making equipment (including video or projection units) must be conducted so that the noise resulting from demonstrations

do not disturb adjacent exhibitors.

The operation of oil, alcohol, or gasoline engines is prohibited during the show, and all such engines must be free of all such fuels and fuel tank caps must be taped closed. All battery cables must be disconnected and cable ends must be taped.

All decorative materials must be flame retardant. All exhibits must comply with City of Portland ordinances and regulations and State Fire Marshal regulations.
