

# PARTNERSHIP OPPORTUNITIES

Dear Supporter of the Region X VPPA:

The Region X Board of Directors is excited about the upcoming 28th annual Northwest Safety & Health Summit. The 2024 Northwest Safety & Health Summit will be held on May 14-16, 2024, at the Anchorage Marriott Downtown & Dena'ina Convention Center, Anchorage, AK.

Here is an opportunity for your organization to demonstrate your commitment to safety and health excellence and partner with the Region X VPPA. This partnership will get you high visibility throughout the 2024 Northwest & Health Safety Summit. Feel free to reserve your financial commitment for a workshop/session, speaker, conference item, or event today. Reserving your commitment early will give your company exposure as an advocate for safety and health excellence through announcements, power point presentations & publications.

Remember, this is **your** conference! Your contribution is a tax-deductible donation. Over the years, our safety summit has grown larger in participation and educational opportunities and **will continue** to grow with an active partnership like you!
