

Attention Workers! Field Sanitation.

Your employer must provide:

Safe drinking water

- Immediately available and enough for everyone.
- Cool and kept in sanitary containers.
- Dispensed from a water fountain or into personal containers or disposable cups.

Toilets and handwashing facilities

- Your employer must allow you to use the toilet when you need it.
- Facilities must be located together and at the entrance/exit to field or in a harvested area, whichever is closer. They must not be more than a five-minute walk or one-quarter mile.

• A toilet must be:

- Clean, private, and have toilet paper.
- Provided for every 10 workers.
- Sanitized three times daily.

• Handwashing facilities must:

- Be sanitized three times daily.
- Include clean water and soap.
- Include single-use towels and a trash container.

Information

Your employer must tell you:

- The location of the drinking water, toilet, and handwashing.
- About the importance of:
 - Handwashing before and after using the toilet.
 - Avoiding heat stress and infectious diseases.
 - Reducing exposure to pesticide residues.
 - How these techniques reduce COVID-19 risks.

You have the right to file a complaint with Oregon OSHA if you do not have these things.
