Changes Adopted – Division 7 Forest Activities

Oregon OSHA adopted new rules in Division 7/N, Forest Activities/Wildland Fire Suppression and Prescribed Fire. We repealed OAR 437-007-1391 through 437-007-1399, and adopted 11 new rules in Division 7/N.

Also adopted are amendments to 14 existing standards in subdivisions A, B, C, G, J, L, and Appendix 7-C.

All changes have been reviewed by the Forest Activities Advisory Committee and the subcommittee for Wildland Firefighting comprised of representatives from labor, private and government land owners, and government agencies. This group started meeting in February 2003 and remains an active advisory group. These changes clarify existing regulations and keep standards current with updated technology.

This is OR-OSHA Administrative Order 2-2005, **adopted May 27, 2005, effective June 1, 2005.**
