

Dear Prospective Sponsor,

Placing a high value on the health and safety of workers is a hallmark of many successful organizations, but rarely do these organizations have a chance to publicly promote this ideal.

In March 2024, your organization will have a chance to promote your commitment to the wellbeing of all workers and their families at the Cascade Safety & Health Conference at the Graduate Eugene (March 4 and 5). This biennial event brings together hundreds of people and organizations from the region who attend educational sessions, learn about new products, and renew their commitment to preventing injuries, illness, and deaths in the workplace. The event is a joint effort of the American Society of Safety Professionals (ASSP) Cascade Chapter, Lane County Human Resource Association (LCHRA), and Oregon OSHA.

**Thank you to the
2020 conference
sponsors**

(event not held in 2022)

Hathaway Munro

Orengo Systems, Inc.

For the past 40 years, local organizations have demonstrated their commitment to keeping workers safe and healthy by proudly sponsoring this conference. It has been through this generosity the Cascade Occupational Safety & Health Conference has been able to provide valuable opportunities to share best practices, networking opportunities, and professional development that attendees take back to their employer. Please join us in the goal of keeping workers safe and healthy by becoming a sponsor of the 20th biennial conference.

Advocate of Safety and Health

\$250

Your organization's name will be printed in the conference program and will be announced during introductory remarks before the Opening/Keynote presentation.

Benefactor of Safety and Health

\$251- \$999

Sponsors at this level receive all the benefits awarded to Advocates plus your organization's logo will be printed in conference program and the name will be listed in all marketing materials. Your organization's name and/or logo will also be included on a PowerPoint presentation that runs in a loop in the Exhibit Hall during exhibit and break times.

Champion of Safety and Health

\$1,000 or more

Sponsors at this level receive all the benefits of the lower levels plus receive a free booth in the Exhibitor Hall or a complimentary registration to the conference.

Thank you in advance for the time spent considering this request. For more information or to sign up as a sponsor, please feel free to contact us.

Sincerely,

Kristian Knudson
