

Dear Friend of Safety,

We look forward to your sponsorship of the Central Oregon Occupational Safety & Health Conference slated for September 25 & 26, 2023, at the Riverhouse on the Deschutes, Bend, Oregon. Sponsorships and in-kind donations help keep the cost of the conference affordable to all.

The conference is an excellent way for employees and employers to learn about improving management of their safety and health programs. Our high-quality conference has drawn more than 250 participants and 30 exhibiting organizations from around the Pacific Northwest.

It's increasingly more challenging to provide the quality conference people have come to expect. Your generosity will help us provide a quality conference at a reasonable price. Our goal is to provide a top-rate conference that everyone can afford. Your continued support is more important now than ever to make this conference as successful as the past events.

**Sponsorship options:**
