

Dear Safety & Health minded individual:

We would like to take this opportunity to request and encourage your donation in support of the **2027 Mid-Oregon Construction Safety Summit** slated for January 25 & 26, 2027, in Bend.

The 2027 Construction Safety Summit targets some of the most hazardous tasks found on construction sites. The event is tailored to bring the most relevant and timely information and tools to assist employers and employees in reducing and eliminating injuries and illnesses on their jobs.

Our goal is to offer affordable training that provides the central Oregon construction industry the tools to work in a safer, more efficient manner. With your help we can do this. It is our belief that it takes ALL trades working together to make a project and jobsite 100% safe. Working together we can make a difference.

There are a number of ways this can be accomplished. You can sponsor a lunch, break, speaker, or any amount to help cover the costs of the Summit event.

How will your generous sponsorship be recognized? All sponsors will have their company logo on a scrolling marquee at the event in the general session/meal space and outside each classroom, in the mobile event app, and the company name listed in the registration materials.

Primary sponsors donating \$1,500 or more will be honored in media releases/ads about the event and receive two complimentary attendee registrations to Tuesday or an Exhibit space.

Support sponsors donating \$1,000 to \$1,499 will receive one complimentary Tuesday conference registration. **Any sponsor donating \$750 or more will have their logo on the conference t-shirt given to each attendee (to be eligible, pledge or pay by Dec. 2, 2026).**

Sponsorships opportunities:

Support sponsor	\$1,000-1,499
Contributor sponsor	\$ 250-999
Meal sponsor -- Lunch co-sponsor*	\$1,500

*** Breakfast and lunch sponsorships issued on first-come, first-served basis**

Once again, please take time to consider our request for sponsorship of the **24th Annual Mid-Oregon Construction Safety Summit**. After all, your sponsorship will be a “safe” investment to the working trades of Central Oregon.

Sincerely,

**Mid-Oregon Construction Safety Summit and the
Central Oregon Safety and Health Association (COSHA)**
