

PARTNERSHIP OPPORTUNITIES

Dear Supporter of the Region X VPPA:

The Region X Board of Directors is excited about the upcoming 25th annual Northwest Safety & Health Summit. Based on the 2018 event evaluations, participants were delighted with the exceptional networking and educational opportunities offered. The 2019 Northwest Safety & Health Summit will be held on May 14-16, 2019, at The Red Lion on the River Jantzen Beach, Portland, Oregon.

Here is an opportunity for your organization to demonstrate your commitment to safety and health excellence and partner with the Region X VPPA. This partnership will get you high visibility throughout the 2018 Northwest & Health Safety Summit. Please reserve your financial commitment for a workshop/session, speaker, conference item, or event today. Reserving your commitment early will give your company exposure as an advocate for safety and health excellence through announcements, power point presentations & publications.

Remember, this is **your** conference! Your contribution is a tax-deductible donation. Over the years, our safety summit has grown larger in participation and educational opportunities and **will continue** to grow with an active partnership like you!
