**The group approved the minutes from the July 9, 2014 meeting.**

The group worked at melding our 3V rules with the federal Subpart V. We removed some Oregon rules because they were covered in the federal standard. We will create a general section at the beginning of the federal standard for our rules that don't necessarily have a federal heading. We made the following decisions regarding removal or placement of 3V rules into federal standard:

110 – General  
115 – 1926.960 (2)  
120 – 1926.960 (b)(2)(c)  
125 – General  
130 – Remove  
135 – General  
140 – General  
145 – General
