# Oregon OSHA COVID-19 Temporary Rulemaking STAKEHOLDER VIRTUAL INFORMATIONAL FORUMS

Oregon OSHA is in the process of finalizing an emergency rule to address COVID-19 in the workplace. The COVID-19 emergency has highlighted the risks that any infectious disease, particularly one that is airborne, can create for a wide variety of workplaces. Toward that end, Oregon OSHA has produced a draft rule and is accepting public comments on that rule.

The informational sessions listed below are not intended to take comments on the draft rule but instead to ensure that those interested in the rulemaking can get questions about the current draft and its intent answered, better enabling them to submit comments.

We have extended the public comment deadline to September 7; comments should be sent to [tech.web@oregon.gov](mailto:tech.web@oregon.gov).
